Kindergarten children's fees are subsidized under the Federal child care grant (CWELCC). *Weeks with statutory holidays are already prorated into the weekly fees and are the same amount as other weeks. If you register for a week and then change your mind you will be still charged for that week, unless we have another child able to take that spot. **Due to the popularity of the program HFCC does typically have a waiting list of children so please ensure you ONLY register for the weeks you require.**
