SUMMER CAMP 2025

June 30th - August 15th

School Age Program

Every week a different theme

Camp Hours 8:00 am – 6:00 pm

Week 1

June 30- July 4*

Drama & Arts Week (Movies)

Let the show begin! Campers will have the opportunity to build their confidence through the theatre and performing arts. Campers will have the opportunity to nurture their creativity and express their artistic talents through a variety of art mediums. Children will be able to express their talents this week in a group or individually through singing, dancing, acting, or through a magical performance. At the end of the week the campers' creations will be displayed as well as photos from the process of creating these masterpieces.

Week 2

July 7- July 11

S.T.E.M. Week (Legoland)

Spark your imagination and nurture your curiosity! Campers will spend their week exploring various scientific elements and develop skills in problem solving, cause and effect, mathematics, and critical thinking. Together we will integrate underlying concepts of S(science), T(technology), E(engineering), M(math), campers will engage in activities that will promote their sense of wonder and curiosity about the world around them. The STEM activities will be appropriate and effective for the child's age group, interests and development level.

Week 3

July 14 - July 18

Nature Explorers (Tree Top Trekking)

Get in touch with nature during nature explorers' week! Campers will get a chance to explore the greener side of the local environment. Children will engage in activities that teach them about the world around them, providing campers with a unique sense of wilderness. They will be able to explore the local areas that are home to countless species of wildlife including insects and birds. Campers will have fun with multi-sensory experiences, which will develop problem solving skills as well as promote fitness and outdoor play.

Week 4

July 21- July 25

Around the World (Medieval Times)

Grab your suitcase and passport and take a trip around the world in five days! Through play-based exploration children will learn about different countries around the world. They will engage in a variety of food, games, music, and multicultural experiences. Campers will explore a variety of games played in foreign countries, folk music from different parts of the world, and arts and crafts that display famous monuments. They will also be introducing campers to the ever-growing cultural diversity present in our community through some traditional food experiences.

Week 5

July 28- Aug 1

Little Chefs (Downey's/ St. Lawrence Market) *

Let's cook up a storm! Campers will participate in a variety of culinary activities that focus both on foods from around the world and from the local community. Campers will focus on learning the basics of cooking and building on their confidence in the kitchen. Sensory experiences will also be included as our campers will be introduced to a variety of cooking tools, allowing the children to have practical hands-on experiences.

Week 6

Aug 4 - Aug 8*

Cyber Sleuths (Game Truck)

Code, Create and Conquer! Campers will spend their week exploring various game-play methods, from cards, board games to online strategy games. Children will experience being the masters of their own creations. Campers will have the opportunity to build their own game set-up, rules and pieces. Campers will focus on the importance of fair play, teamwork, co-operation and problem solving. They will also be introduced to computer and internet safety and literacy skills.

Week 7

Aug 11 - Aug 15

Fitness Week (Skyzone)

Let's work together! Campers will engage in team-based sporting activities that foster friendship, teamwork, empathy, confidence, and respect for their fellow teammates. This week will also involve fun and versatile gross motor activities that will allow campers to groove to the beat of the music and improve coordination and flexibility. Children will be able to participate in different gross motor activities throughout the week that will empower them with the tools and knowledge to engage in a more active and healthier lifestyle.
